

## DINNER MENU

*We highly recommend doing family style at Fang Restaurant. Create a nice selection of appetizers, entrees and veggie side dishes and eat like most Asian Families at home or out. If you can't decide, let our chefs or servers help you create an unforgettable meal. Ask for chef's choice and we will put together a menu based on your dietary preferences for any group size. We can create menus for light, medium or heavy appetites. Eating alone? No problem, we can even fix solo diners with a small chef's choice:)*
