

## Favorite dishes from Akiko's, Pizzardo, Aubergine, Mikkeller and Fang

By Michael Bauer

This week I was on the road a lot and had several memorable meals. One night I was in Yountville and Napa, another in Healdsburg and still another in Carmel.

**Photo #3:** I finally got around to visiting **Fang**, owned by the same family as House of Nanking. My favorite dish, by far: sautéed pea shoots (\$6.95) with garlic and edamame scattered over the top.
